"Spay / Neuter is the Answer"

Puppy Amnesty Program

We will spay the mom dog for any Morgan County resident who brings us her litter of puppies. No intake charge for the puppies! \$14 co-pay for the mom dog (includes updating her rabies' vaccination)

Contact us for other great spay/neuter rates for dogs and cats!

An extra big and special THANK YOU! goes to St. Francis Pet Hospital in Centerton for doing spays and neuters of both our shelter pets as well as the community pets that are recipients of our grant moneys. Thank you, thank you, thank you.

Please tell your friends and neighbors who have unspayed / un-neutered pets how important this is. Help stamp out pet overpopulation in Morgan County!

You are invited!

MCCHS' next general meeting is Monday, November 9, from 7 p.m. - 8:15 p.m. at the library in Martinsville. We'll be reviewing our previous month's activities and planning for upcoming months, including our Christmas party.

We'd love for you to come!

Please contact Diane at 765-342-0903 or at marseatoats7001@sbcglobal.net.

HAPPY TAIL ENDINGS

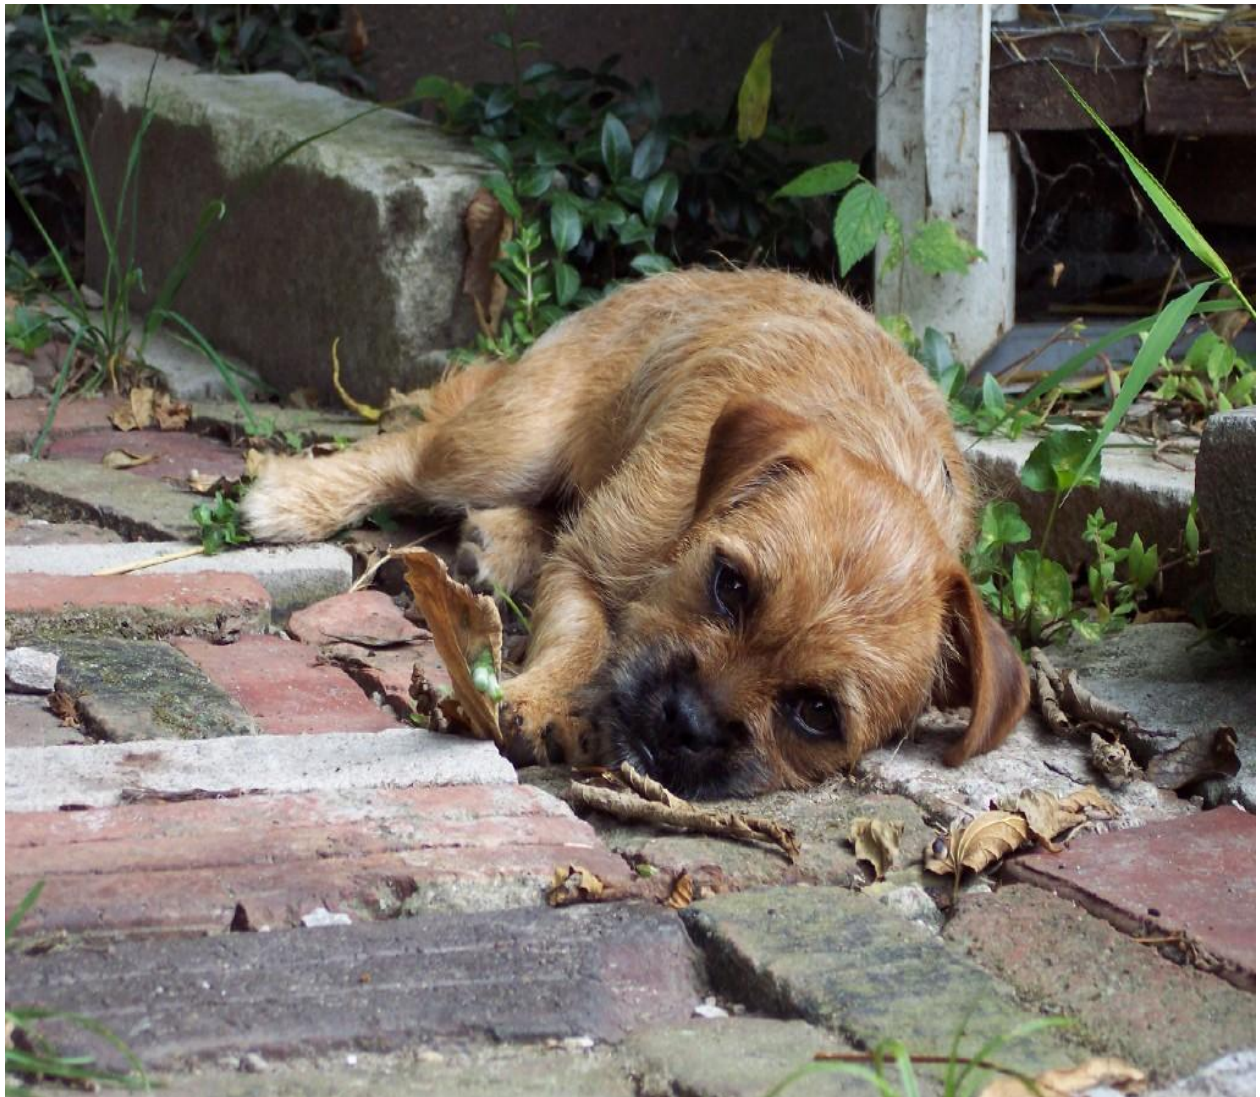

Cynthia, Mya and Donald write:

This is Peanut. She is now 4 months old and so easy going. She loves to play
fetch already

and bury her chewy bone (we don't know where it is right now). She loves to
come and sit by us all the time.

We are so glad to have found her at MCHS. Thanks!

Peanut

From Cora:

Just wanted to send the final update on Harley and let you know he is doing wonderfully. Carolyn, his new mom went back to teaching this fall but Tom decided it was time to retire and be with his dogs.

They previously adopted a beautiful German Shepard named Muncie from Circle Tail and Flunky from Companion Animal School.

She and Harley are best of friends. They LOVE each other!!!

They have about an acre fenced in and they wrestle and play all day long. Tom also loads them up and takes them to the dog park.

Carolyn adores Harley and his leaning and his always having to put a paw on you. His hair is coming back and he is going to be gorgeous.

Muncie is more Tom's dog. They are all going to obedience class on Wednesday nights. Of course Muncie is the star and Harley is learning to share!

A very happy family!!!!

Thanks for all you do for the animals and take care!!!

And from Julie:

Here is an e-mail from Shannon about her dog Hunter who she adopted from us. Coonhound pup 12 weeks old now 2 1/2 years old. Father says, "she ruined that coonhound!"
